## **EVGA Precision v.1.7.1.**

**LINK (<https://www.nexthardware.com/download/diagnostiche/195/evga-precision-v171.htm>)**

Utility per il tweak e la diagnostica delle schede video

Version History:

EVGA Precision v1.7.1 (2009-04-28)

- Added update checking system.
- Now Logitech keyboard soft-buttons can be used to scroll Precision's LCD text in any direction. Both vertical and horizontal scrolling can be easily reset by pressing up and down or left and right scroll soft-buttons simultaneously.
