Da Razer un nuovo set di periferiche gaming ispirato alla killer application multi-piattaforma Battlefield 3.

Per coloro che amano gli sparatutto in prima persona, ma specialmente sono appassionati di Battlefield 3, l'eterno rivale di Call of Duty, Razer ha realizzato un'intera linea di prodotti dedicati.

Quest'ultima offerta commerciale comprende un mouse gaming, una tastiera, un joypad wired per XBOX360, un mousepad, una borsa per notebook ed una custodia per iPhone 4.

La disponibilità effettiva sul mercato italiano di questi prodotti è prevista per il 25 ottobre.
